# Local Impact

95%

of youth maintained or improved their overall educational expectations

95%

of youth maintained or decreased their level of participation in bullying

23%

of youth have decreased their level of depressive symptoms

**Mission: Create and support one-to-one mentoring relationships that ignite the power and promise of youth.**

**Community-Based Mentoring** is the traditional mentoring program provided by BBBS. Bigs and Littles participate in one-to-one outings across our local community two to four times a month. Matches plan time together doing things that they both enjoy, like taking a walk in the park, going to a museum, sharing a meal together or just hanging out and talking at home. Life-changing friendships are built through the simplest of moments spent together.

**MentorU** is a technology-enhanced, school-based mentoring program specifically designed to support high school students. Through one-to-one mentoring relationships and guided curriculum, this program helps students develop personal, academic and career skills by providing each student with specialized classroom interactions and the opportunity to match with a mentor. MentorU is currently present in five local high schools.

**Big Futures** helps young adults to develop their own plan for future success. Current mentees in high school and those who have recently graduated can transition into the Big Futures program. Launched in 2023, the program is helping young adults connect with colleges, universities, military recruiters and employers. Additionally, participants can receive help with financial aid, professional development workshops, college/workplace tours, etc.

**Serving more than 900 kids and young adults each year.**

# Bowl for Kids' Sake

Spring 2025

For more than 45 years, Bowl for Kids' Sake has been Big Brothers Big Sisters' largest annual fundraising event, bringing together mentors, parents/guardians, donors, corporations and community members to support our mission. Participants raise funds by asking family and friends to help them hit their fundraising goal. To show our gratitude, we celebrate their efforts with 90 minutes of FREE cosmic bowling, pizza, drinks, prizes and more at a local bowling alley.
